

# REGISTRATION FORM

Dealing with a gynaecological cancer is incredibly difficult, whether you are affected directly, or know someone who is.

Our mission is to improve the diagnosis, treatment and outcomes for women with gynaecological cancers. We do this by raising money to purchase specialised equipment and to fund our vital research programme.

If you would like to help with this, why not host a GRACE Tea Party to raise money and awareness for GRACE using our Tea Party Pack to get you started?

You can organise a tea party wherever and whenever you'd like, and donate the profits of drinks and cake sales, and / or entrance tickets to GRACE. Your party can be all about tea, a chance to show off your baking skills, or even a swanky cocktail soiree.

To get involved, please fill in the attached form with your contact details, and information about your proposed party, and return it to GRACE to officially register your event. Thank you for your support!

# GOODNESS GRACIOUS TEA

# HOST YOUR OWN TEA PARTY

## ABOUT GRACE

GRACE supports women with gynaecological cancers.

Every year in the UK 21,000 women are diagnosed with a gynaecological cancer which means 58 women every day - 58 women who are Daughters, Sisters, Nieces, Mothers, Aunts, Grandmothers, and friends. 21 will die.

### Our mission is to:

- **Raise standards** of gynaecological cancer care and treatment for women across Surrey, West Sussex and Hampshire
- **Promote early diagnosis** and treatment through awareness and;
- **Raise funds** to support ground-breaking research into the cause, progression and treatment of gynaecological cancers

## WHERE THE FUNDS GO

### We need your help to:

- **Raise awareness** of the symptoms of these cancers so women seek help at an early stage. Early detection of gynaecological cancers results in much more successful treatment and outcomes;
- **Improve** the clinical services available to women by the provision of state-of-the-art theatre equipment, diagnostic tools and the development of minimally invasive and fertility-sparing treatments;
- **Fund** researchers and nurse specialists who will investigate possible new treatments and enable greater understanding of these cancers.

## GRACE TEA PARTIES

A GRACE Tea Party is a great excuse to host an informal coffee morning/drinks evening or even dine out in style and help beat gynaecological cancers at the same time.

**Think about the best time** for your event - when are your friends or colleagues available?

**Find a venue** - either at your home, a friend's home or in a local restaurant or coffee shop

**Invite as many friends** or colleagues as you can (you can use the especially designed invites and posters from our website: [www.grace-charity.org.uk/grace-tea-party](http://www.grace-charity.org.uk/grace-tea-party))

**Decide what you are going to serve** - tea, coffee, wine or bubbles!

**Ensure there are plenty of cakes**, cream teas, scones, biscuits or canapés

**Generate some ideas to help raise funds** - raffles; donations; auctions; cake sale or even an entry fee

**Make sure** you and your guests have a great time while helping GRACE with our mission to beat gynaecological cancers!

Only 1 in 3 women diagnosed with ovarian cancer is alive five years from diagnosis - help us to improve their chances

## HERE'S HOW TO REGISTER YOUR EVENT:

Register online at [grace-charity.org.uk](http://grace-charity.org.uk) by filling in our GRACE Tea Party form.

Email us at [fundraising@grace-charity.org.uk](mailto:fundraising@grace-charity.org.uk) with the details of your event.

Post the form in this leaflet to;

GRACE,  
Department of Gynaecological Oncology,  
The Royal Surrey, County Hospital,  
Egerton Road, Guildford, Surrey, GU2 7XX

You can find all of the latest GRACE event information on our website: [www.grace-charity.org.uk](http://www.grace-charity.org.uk)
